INDEX

Volume 7: 1940

Special abbreviations; besides those of self-evident import.—A. A. A. S.: American Association for the Advancement of Science. *A. A. D. E.:* American Association of Dental Editors. *A. A. D. S.:* American Association of Dental Schools. *A. C. D.:* American College of Dentists. *A. D. A.:* American Dental Association. *A. M. A.:* American Medical Association. *A. P. H. A.:* American Public Health Association. *D.* or *d.:* dental or dentistry. *I. A. D. R.:* International Association for Dental Research. *J. A. C. D.: Journal of the American College of Dentists. J. D. R.: Journal of Dental Research.*

ACID: effect of fluorine on formation by mouth bacteria, 78
——: iodoacetic; in diet, 82
Act: Ill. d. law, 231
Activities: organizational, 4
Addresses, *See also* A. C. D.
  Dental Education, 311
  Dental Education: Milestones of Progress, 13
  Dentistry and Science, 12
  Dentistry Through the Century, 2
  Dentistry's New Horizon, 300
  Development and Progress of O. K. U., 8
  Influence of Dental Laws, 9
  Influence of Organization on Development of Dentistry, in U. S., 4
  International Relationships, 5
  Opportunities Ahead in Light of Our Experiences, 22
  Our Literature Through the Century, 6
  Presidential, 297
  Research, an Important Factor in Dental Progress, 10
  Trends in D. Education, *See* Symposium on, 320-370
Alkyl-benzyl ammonium chloride: detergent on metabolism of dental plaque material, 80
American: dentistry; position in the world, 340
American Association for the Advancement of Science: Columbus meeting (1939); abstracts of addresses, committee of arrangements, personnel, presiding officers, secretary, sub-section on dentistry, 74-77
American Association for the Advancement of Science *(con.)*: proceedings in abstract, 77-87
American Association of Dental Schools, 163
American College of Dentists: Milwaukee Convocation (1939); Board of Regents, reports of committees; endowments, 44
——:——; hospital d. service, 45
——:——; journalism, 188
——:——; prosthetic service, 208
——:——; public relations, 57
American College of Dentists: Baltimore Convocation (March, 1940);
——:——; Addresses (In abstract)
  Dental Education: Milestones of Progress, 13
  Dentistry and Science, 12
  Dentistry Through the Century, 2
  Development and Progress of O. K. U., 8
  Influence of Dental Laws, 9
  Influence of Organization on Development of Dentistry, in U. S., 4
  International Relationships, 5
  Opportunities Ahead in Light of Our Experiences, 22
  Our Literature Through the Century, 6
  Research, an Important Factor in Dental Progress, 10
——:——; bestowal of Gies Award, 20
——:——; greetings and responses, 18, 19
——:——; honorary fellowships conferred, 16

American College of Dentists *(con.)*: Baltimore Convocation; hosts to kindred organizations, 72-73
——:——; names inscribed on mace, 17
——:——; pilgrimage to tombs of Hayden and Harris, 15
——:——; reception and dinner, 16
——: Cleveland Convocation; addresses
Dental Education, 311
Dentistry's New Horizon, 300
Presidential, 297
Trends in D. Education: *See* Symposium on, 320-370
——:——; abstract of minutes, 371
——: Chicago meeting; Board of Regents, 69
——: constitution and by-laws, 88
——: future roll of, 298
——: membership roster, 102
——: past Presidents, 141
——: Regents, 141
——: Sections; and chief officers, 140
American Dental Association; student membership, 166
American Hospital Association, 46
American Journal of Dental Science, 6, 160
American Society of Dental Surgeons, 160, 379
Award(s): Wm. J. Gies; bestowed on P. J. Brekhus, 20

BACTERIA(L): acidogenic, 82
—: flora; in experimental d. caries, 82
——: mouth; effect of fluorine on formation of acid by, 78
Baltimore: College d. Surgery, 14, 160
——: convocation, A. C. D.; editorial, 70
BANZHAF, H. L.: chm., symposium; trends in d. education and concluding remarks, 320 and 369
BEAR, H.: President, A. A. D. S., 13
——: d. education in America, 160
——: d. education: milestones of progress, 13
BECK, D. F.: quoted, 72
BIBBY, B. G.: and VANKESTEREN, MARY; effect of fluorine on formation of acid by mouth bacteria, 78
——: progress report, U. of Rochester, 145
BLACK, J. C.: report of journalism committee, 188
BLAYNEY, J. R.: oral manifestations in systemic disease, 85
Board: d. examiners, 14
Books: new; announcement, 144, 384
BOYLE, P. E.: WEISBERGER, D. and NELSON, C. T., 82, *See* Weisberger, D.
BRADEL, S.: MILLER, B. F., and MUNTZ, J., 80, *See* Miller, B. F.
BRANDHORST, O. W.: abstract of minutes, Cleveland Convocation and Regents, 371, Chicago Meeting, Board of Regents, 69
BREKHUS, P. J.: first recipient, Wm. J. Gies Award, 21
BRIGGS, L. J.: honorary fellowship, 16
BROWN, S.: name inscribed on mace, 17
BRUN, B. LUCIEN: general chairman, centennial celebration, 7
BRYAN, A. W.: president, A. C. D., 2, 165, 297
——: d. student and his literature, 165
——: greetings, 18
——: president's address, 297

CAHN, L. R.: oral manifestations of endocrine disorders, 84
CAMALIER, C. W.: Chm. Maj. Rodriguez Memorial Com., 27
Canada (ian): d. schools, 5
Carnegie Corporation: gift to U. of Rochester, 146
CARR, M. W.: report of sub-committee of hospital d. service, 48
Centennial Celebration; reference to, 297
Certification: specialists, 306
CHEYNE, V. G.: inhibition of experimental caries by fluorine, 79

College: d. surgery, Baltimore, 14, 160
CONZETT, J. V.: founder, A. C. D., 22
——: report of necrology com., 285
COOK, T. J.: oral manifestation of blood dyscrasias, 84
Council: d. educational, 336
Curriculum: d.; changes, 331
——: d.; studies concerning, 365

DEGREES: held by contributors to I. A. D. R. program, 362
Dental: Canadian schools, 5
——: caries; following extirpation of salivary glands, 83
——:——; in diabetic children, 86
——:——; inhibition of experimental caries, by fluorine, 79, 82
——:——; possible reduction by fluorine, 77, 81
——:——; report of researches, 322
——: Centennial, 143
——: education(al), 302, 311
——:——; A. D. A. assumes responsibility, 14
——:——; autonomy recommended by A. C. D. committee, 319
——:——; Council of America, 162, 336
——:——; control of by medical educators, 344
——:——; Harvard Plan, 276, 314, 327, 344, *See also* Symposium on Trends in Dental Education, 320-370
——:——; in America, 160
——:——; in U. S. and Canada, 162
——:——; milestones of progress, 13
——:——; reference to experiments at Rochester and Yale Universities, 316
——:——; reference to plan of U. of California, 317
——:——; reference to recommendations of Gies, Wm. J., and Blauch, L. E., 313
——:——; Symposium, trends in, 320-370
——:——; trends in (editorial), 273
——: examiners, Board of, 14
Dental *(con.)*: health-care; requirements, 355
——: history, 307
——: hospital service, 305, *See also* Hospital d. Service. *See also* appendix, 48
——:——; report of com., 45
——: hygienists, 54
——: law, influence of, 9
——: literature, 307, *See also* Journalism
——: Medical relations, 305
——: research, 306
——: schools; American Association of, 163
——: service, extension of, 333
——: student, selection of, 328
——: technician, *See* Prosthetic Service, Report of Com.
Dentin: and enamel; possible reduction of solubility by fluorine, 77
Dentistry('s): American, 340
——: and medicine; fellowship program, U. of Rochester, 145
——: and science, 12
——: celebration; reference to, 297
——: centennial celebration; program, 1-22
——: defined, 169
——: early history, 171
——: endowments for, 304
——: in a scientific era, 169
——: introduction of science, 171
——: new horizon, 300
——: period of development, 175-178
——: phases of practice, 3
Dentists: number in U. S., 163
Detergent(s): synthetic alkyl benzyl ammonium chloride on metabolism of dental plaque, 80
Disease(s): endocrine disorders; oral manifestation in, 84
——: oral manifestation of, 83
——: syphilis, of the mouth, 86
——: systemic; oral manifestations in, 85
Dyscrasia(s): blood; oral manifestation of, 84

ECONOMICS: socio, 309
Editorial(s): Baltimore Convocation, 70
——: The Harvard Plan, 276
——: Summum Bonum (The Cleveland Convocation), 376
——: D. Education, 380
——: Trends in d. education, 273
Education(al): dental, 302, 311
——:——; A. D. A. assumes responsibility, 14
——:——; control of by medical educators, 344
——:——; council, 336
——:——; future trends, 312
——:——; Harvard Plan, 276, 314, *See also* Symposium on Trends in Dental Education, 320-370
——:——; in U. S. and Canada, 162
——:——; in America, 160
——:——; milestones of progress, 13
——:——; trends in (editorial), 273, Symposium, 320-370
Enamel: and dentin; reduction of solubility by fluorine, 77
Endocrine glands: disturbance; effect on mucous membrane, 86
——: oral manifestation of disorders, 84
Endowment(s): for dentistry, 304
——: report of com., 44
——: Wm. J. Gies fund, J. D. R., 143
Examiners: Board of d., 14

FELLOWSHIP(S): change in program at U. of Rochester, 147
——: conferring of, 373
——: honorary, conferred, 16-17
——: lecture established at Med. Coll. of Virginia, Psi Omega Fraternity, 169
——: reference to, 298
——: report on training for, U. of Rochester, 145.
FINN, S. B.: possibility of fluorine as caries reducing agent, 77
FIXOTT, H. C.: presiding officer at session at Baltimore, 8
FLEMING, W. C.: trends in d. education (editorial), 273
Fluorine: effect of, on formation of acid by mouth bacteria, 78
——: inhibition of experimental caries, 79
——: possible reduction of solubility of enamel and dentin, 77
——: possibility in caries reduction, 77, 81, 82
Founders; A. C. D., 22
FRASER, H. F.: and TOPPING, N. H., 86, *See* Topping, N. H.
FRIESELL, H. E.: founder, A. C. D., 22

GIES, WM. J.: President, I. A. D. R., 10
——: address; research as an important factor in d. progress, 10
——: award, bestowed on P. J. Brekhus, 20
——: import of prospective new d. program at Harvard University, 350, *See also* Symposium, Trends in Dental Education, 320-370
Gland(s): Salivary; d. caries following extirpation, 83
GOODSELL, J. O.: public relations; report of com., 57
GURLEY, J. E.: d. in a scientific era, 169
——: editorials, 70, 376, 380
——: Harvard Plan, 276

HARRIS, C. A.: and d. progress, 13
——: pilgrimage to tomb, 15
——: reference to, 160
HARRISON, R. W.: bacterial flora in experimental d. caries, effect of fluoride and iodoacetic acid in diet, 82
Harvard: plan for d. education (editorial), 276, 278, *See also* Symposium on Trends in Dental Education, 320-370
——:——; import of, 350
——:——; medically dominated, 349
——: possible graduate education, 368

HATTON, E. H.: oral manifestations of systemic disease, 83
HAYDEN, H. H.: and d. progress, 13
——: pilgrimage to tomb, 15
Health-care: d., requirements, 355
HEATWOLE, T. O.: receives honorary fellowship, 16
HINDS, F. W.: d. education, 311
Historical: data, 23
History: d., 307
HODGKIN, W. N.: President, N. A. D. E., 9
——: address; influence of d. laws on dental progress, 9
HOFFMAN, ABRAM: President, O. K. U., 7
——: address; development and progress of O. K. U., (abstract), 8
HORNER, H. H.: trends in d. education, 328, *See* Symposium, 320-70
Hospital(s): American Association, 46, *See also* Internships
——: d. service, 305, *See also* Appendix, 48
——:——; changes in rules, 45
——:——; classes of, 50
——:——; equipment, 54
——:——; minimum standards, 46
——:——; plan of management, 50
——:——; request for Class A rating, 49
——:——; staff, 52
——:——; title, 52
——:——; ward rounds, 55
——: internships, 311
Hygienists, d., 54

I. A. D. R., 13
——: importance of, 337
Index: literature, 4
Interne(ships); 46
——: increase in, 311

JOURNAL(ISM): *American; d. science*, 6, 160
——: *D. Research*, 3
——:——; endowment fund, 143
——: proprietary, 7
——: report of com., 188, *See also* d. literature

KITCHIN, PAUL C.: sec't'y, sub-section on dentistry, A. A. A. S., 12, 74
——: address; dentistry and science (abstract), 12
——: report of Columbus meeting, 74-87
KRONFELD, R.: physiology of ovarian dermoid containing tooth, 80

LABORATORIES: d.; *See* Prosthetic Service
Law: d.; influence of, 9, *See also* Act
——: Ill. d. practice, 231, *See also* 220
Licensure: d. technicians; *See* Prosthetic Service, *See also* 241
Literature: and d. student, 165
——: d., 307, *See also* Journal(ism)

MACE: names inscribed, 17
MANN, J. B.: report on Maj. Rodriguez' researches, 29
March of Time, 23
MCCOLLOUGH, A. J.: and PIPPIN, B. H., 80
Medical: commission on education; report, (1932), 352
——: dental relations, 305
——: educators and d. education, 344
——: excess training for dentists, 346
Medicine: and dentistry; fellowship program, U. of Rochester, 145
Memorial: plaque, Major F. E. Rodriguez, 27
MERRITT, A. H.: President, A. D. A., 7
——: address; opportunities in light of experience, 22
MIDGLEY, A. L.: presentation of Gies' Award, 20
——: trends in dental education; symposium, 334
MILLER, B. F.: MUNTZ, J. and BRADEL, S.; inhibiting action of alkyl benzyl ammonium chloride, on dental plaque material, 80
MILLER, H. C.: hospital d. service; report of com. 45
MILLER, S. R.: honorary fellowship, 17

MINER, L. R. S.: trends in dental education; symposium, 323
MORRIS, E.: endowments; report of com., 44
MUNTZ, J.: MILLER, B. F., and BRADEL, S., 80, *See* Miller, B. F.

NECROLOGY: com. report, 285
NELSON, C. T.: WEISBERGER, D., and BOYLE, P. E., 83, *See* Weisberger, D.
Notes and comments: 143, 278, 384
——: GIES, WM. J. Endowment Fund, J. D. R., 143
——: new books, 144, 384
Nutrition(al): oral lesions of soft tissue in deficiency, 86
——: oral manifestation of experimental dietary deficiency, 86

OBITUARIES, *See* Necrology, report of com.
Omicron Kappa Upsilon, 8
Opportunities in light of our experiences, 22
Organization(s): activities, 4
——: value of, 4, 307

PAIN: conquest of, 12
PARMLY, E.: name inscribed on mace, 18
PARRAN, T.: honorary fellowship conferred, 17
PASTEUR, LOUIS; founder of bacteriology, 361
PIPPIN, B. H.: and MCCOLLOUGH, A. J.; method of treatment of joint lesions, 80
Plaque: memorial, MAJ. F. E. RODRIGUEZ, 27
Profession: defined, 70, 169
Proprietary journals, 7, *See also* Literature and Journalism, Report of com.
Prosthetic service: reference to, 308
——: report of com., 208
Prosthodontia: implied separation from dentistry, 347
Psychology: place of, 183
Public Relations: activities of com., 61
——: addendum, 67
——: central office proposed, 59
——: conclusion, 67
——: object of, 57
——: plan of organization, 59
——: press com., 58
——: pressure groups, 58
——: recommendations, 65
——: relation to other groups named, 61-65
——: report of com., 57

RELATION(S) (SHIPS): medico-dental, 305
——: public; report of com., 57
——: university, 330
Research: definition, 147
——: dental, 306
——:——; journal, 3
——: development, 15
——: important factor in d. progress, 10
——: International Association for D.; importance of, 337
——: reference to sums allocated, 299
——: support for, 12
Rockefeller Foundation: gift to U. of Rochester, 146
RODRIGUEZ, MAJ. F. E.: Indian service, 30
——: memorial plaque, 27, 29
——: researches, 29
——: sprue, oral manifestations of, 31
ROWLETT, A. E.: guest, Baltimore Convention, 19
——: greetings from Europe, 19

SCHOOL(S): Canadian dental, 5
——: d., admission to, 162
——: d. technology, 245, *See also* Prosthetic Service
Science(s): founders in, in relation to medicine, 361
——: social, 3
——: and dentistry, 12

Service: d., extension of, 333
——:——; hospital, 305
——: Prosthetic, *See* Prosthetic Service
Social Sciences, 3
Society: American D. Surgeons, 160
Socio-economics, 309
Specialists: certification of, 306
Sprue: oral manifestation, 30
Standards: minor in hospital d. service, 46
STEIN, G.: d. conditions in diabetic children, 86
Student: d., selection of, 328
Symposium: trends in d. education, 320-370
Syphilis; of the mouth, 86

TAYLOR, W N.: syphilis of the mouth, 86
Teachers: d., American Institute of, 161
Technicians: d., *See* Prosthetic Service
Teeth (tooth): physiology of, in ovarian dermoid cyst, 80
Temporo-mandibular joint: method of treatment of lesions, 80
TOPPING, N. H.: and FRASER, H. F.; oral manifestations of dietary deficiency, 86
Trends in d. education: Symposium, 320-370
——: curriculum changes, 331
——: extension of d. service, 333
——: selection of students, 328
——: university relationships, 330

UNIVERSITY: relationship, 330
——: Rochester; fellowship program for dental and medical graduates, 145
——:——; fellows and graduate degrees, importance of research, development of research, 152
——:——; distribution of fellows, 154-159

VOLKER, J. F.: possible reduction of solubility of enamel and dentin by fluorine, 77
VANKESTEREN, MARY: and BIBBY, B. G., 78

WEISBERGER, D.: NELSON, C. T. and BOYLE, P. E.; caries following extirpation of salivary glands, 83
——: effect of endocrine disturbance on mucuous membrane, 86
WILSON, G. W.: dentistry's new horizon, 300
——: presiding officer at session at Baltimore, 7
WISEMAN, B. K.: oral lesions of soft tissue in nutritional deficiency, 85
WRIGHT, W. H.: hidden dangers in the new Harvard Plan of d. education, 343, *See also* Symposium, Trends in Dental Education, 320
——: report of Prosthetic Service com., 208
